

SB403 TESTIMONY:

February 8, 2022 – 2:30p.m. Virtual

2/4/22

Hello,

My name is Greg Skolnik and I am the owner and founder of Motor Works, Inc., a small business located in Rockville, Maryland. We have been in continuous operation since late 1979 and incorporated in 1982.

I never quite understood why we needed to pay (currently) \$300 annually to file a tax return that we will be paying taxes on. I certainly don't have to do this with the Federal returns. I have attached a PDF report going back to 1991 (when our current software was started) showing that we have paid to the State a total of \$6,400.00 in fees only over this period. Those fees could have been used to grow our business, purchase additional equipment, help train employees or even supplement other employee benefits such as health insurance.

I am in favor of the adoption of this bill, removing these fees for future submissions. If you have any questions, please contact me. I can be reached at 240-997-4950.

Thank you for your consideration,

Sincerely,

Gregory A. Skolnik
