Dear Economic Matters Committee:

My name is Elke Pieters and I am Deaf. I live in Howard County.

I am writing to ask you to support **HB 1238**- Open Captioning Bill, sponsored by Delegate Harry Bhandari. This bill will require all motion picture houses to offer closed captions for each screening of a motion picture. It also will require that motion picture houses provide open captioning for at least certain screenings each week.

Captioning, also known as same-language subtitles, benefits everyone who watches videos (children, adolescents, college students, and adults). More than 100 empirical studies document that captioning a video improves comprehension of, attention to, and memory for the video. Captions are particularly beneficial for persons watching videos in their non-native language, for children and adults learning to read, and for persons who are D/deaf or hard of hearing.

Most importantly, the bill provides communities with the assurance and peace of mind that they have access to the movie without using devices or other methods same as other people who go to the movie.

My personal story is I do not find the accommodation devices very helpful at the movie theaters. Open Captioning would provide relief, ease and comfort while watching just like everyone else is.

Thank you for your time and attention to this important matter and I appreciate your support on HB 1238.

Sincerely,

Elke Pieters
