Maryland House of Delegates  
Economic Matters Committee

My name is Joseph Raysor, Jr. I am the owner of a small business in the State of Maryland. I believe this bill is a great opportunity for the General Assembly to help small businesses and others who would benefit from the financial relief the legislation would provide. I would gladly file online to save on the costs associated with filing my yearly reports and I believe others would as well. Please know that I support this bill and many others who are in my position do as well. Thank you for time.

Sincerely yours,

Joseph Raysor, Jr.
