Dear Speaker of the House,

I am a local, small-business owner in Hanover, MD, actively serving elderly seniors, ranging from 65-103 years of age, catering to their daily medical and social needs.

As with all small and large businesses, the pandemic has made a lasting impact on daily operations and expenses, particularly for our seniors who live only off Medicare and Medicaid support. Every bit of assistance is appreciated and will help us bring more benefits to our local senior community.

Therefore, we would appreciate the committee to support HB 0409.

Thank you for your time,

-Michael Do
