Dear Economic Matters Committee:

My name is Cindy Meadows and I am Deaf. I live in Calvert County.

I am writing to ask you to support **HB 1238**- Open Captioning Bill, sponsored by Delegate Harry Bhandari. This bill will require all motion picture houses to offer closed captions for each screening of a motion picture. It also will require that motion picture houses provide open captioning for at least certain screenings each week.

Captioning, also known as same-language subtitles, benefits everyone who watches videos (children, adolescents, college students, and adults). More than 100 empirical studies document that captioning a video improves comprehension of, attention to, and memory for the video. Captions are particularly beneficial for persons watching videos in their non-native language, for children and adults learning to read, and for persons who are D/deaf or hard of hearing.

Most importantly, the bill provides communities with the assurance and peace of mind that they have access to the movie without using devices or other methods same as other people who go to the movie.

My story is that I'm wearing eyeglasses without progressive lens. They offered me the cup-holder captions. Hone with you, I cannot read it because I need reading glasses to read it. It wasn't enjoyable. I prefer own captioned movies at the peak hours - not during the church hours! My home is in Calvert County and I do not want to drive more than 30-45 minutes for that open-captioned movies. Movie theater is in Prince Frederick, MD.

Thank you for your time and attention to this important matter and I appreciate your support on HB 1238.

Sincerely,
Cindy Meadows
