Opposition for House Bill 442

Mr. Chair and members of the Committee,

The Premium Cigar Retailers Association of Maryland represents over 35 adult only brick and mortar premium cigar specialty stores in the State. Members of the PCRAM have appeared before your committee on several matters this legislative term and we thank you for the opportunity to testify again.

We write today in opposition to House Bill 442.

The Maryland General Assembly has taken the position that tobacco regulation and taxation should remain exclusively a matter within the State's purview. We support that position, as it maintains a consistent statewide regulatory approach.

Enabling jurisdictions to enact their own set of rules and regulations will lead to inconsistencies and redundancies in enforcement and will make compliance more difficult, costly, and burdensome. We oppose a patchwork approach by local jurisdictions on these matters.

If adopted, this legislation will have the effect of driving business in Baltimore City across jurisdictional lines and will require people to move farther and spend more time, in order to obtain the products that they want.

Additionally, during the COVID-19 Pandemic, we have seen how difficult it is for business owners to comply with a varying closures and mandates by localities. Overlapping jurisdiction creates confusion and consternation among businesses, customers, and regulators.

For these reasons we respectfully ask for an unfavorable report on HB 442.

Sincerely

Matthew Bohle and Obie Chinemere of RWL – 410-269-5066
