Simon Babycat LLC  
State of MD Small Business owner  
Hearing date: Tuesday, 2/9/2022

To Whom it may concern:

I am in favor of supporting the HB409 for the State of Maryland.  
I feel it would considerably be helpful for small business owners such as myself, and I welcome the removal of the annual fee.

Please use this as my formal written testimony in favor of this bill.  
Please contact me if you need any further details.

Thank you for your time,
