Dear Economic Matters Committee:

My name is Simon Kallungal and I am Deaf. I live in the Montgomery County.

I am writing to ask you to support **HB 1238**- Open Captioning Bill, sponsored by Delegate Harry Bhandari. This bill will require all motion picture houses to offer closed captions for each screening of a motion picture. It also will require that motion picture houses provide open captioning for at least certain screenings each week.

Captioning, also known as same-language subtitles, benefits everyone who watches videos (children, adolescents, college students, and adults). More than 100 empirical studies document that captioning a video improves comprehension of, attention to, and memory for the video. Captions are particularly beneficial for persons watching videos in their non-native language, for children and adults learning to read, and for persons who are D/deaf or hard of hearing.

Most importantly, the bill provides communities with the assurance and peace of mind that they have access to the movie without using devices or other methods same as other people who go to the movie.

My story is that open caption to apply everywhere including movies, restaurants, airports, transportation, gambling casino. Any TV there must have all OC. Thank you.

Thank you for your time and attention to this important matter and I appreciate your support on HB 1238.

Sincerely,  
Simon Kallungal [skallungal@yahoo.com](mailto:skallungal@yahoo.com)
