

Something Borrowed
EVENT DESIGN & RENTAL

House Bill 409

House Economic Matters Committee

To Whom It May Concern:

Taxes on Small Business and add paperwork takes away from the time I can spend doing actual work for Clients and increases the costs I have to pass on to them to pay.

Please consider every effort to eliminate and or greatly reduce actions and taxes paid to small businesses.

Thank you,

Connie Bowling

President, Something Borrowed Event Design & Rental

Member, Charles County Chamber of Commerce
