

**Filing Suit on Fossil Fuel Companies -**

**HB0363 Attorney General - Climate Change Actions - Authorization - Delegate Ruth - Hearing Date February 15th**

Our Attorney General does not have the authority to sue fossil fuel companies, even though other states already have lawsuits on the books. This bill would provide authorization for the Attorney General to investigate, commence, and prosecute or defend any suit against a publicly traded entity with a market capitalization greater than \$1,000,000,000 or its subsidiaries for unlawful conduct that has contributed to climate change.

Our Revolution Howard County, Maryland, urges a favorable vote on HB0363.
