RE: HB 0533-Immigration-Occupations and Professions-Licenses, Certificates and Registrations- **OPPOSE**

Dear Delegate Wilson and Members of The Committee,

I urge your opposition for HB 0533, granting professional licensure to illegal immigrant applicants. Simply put, illegal immigrants have NO rights in the United States because they simply don't belong here. They should remain in their country of origin until which time they can follow due process and become a LEGAL citizen. Therefore, certifying illegal immigrants with a professional license, is unjustifiable. Doing so, minimizes the rights of those Marylanders who are **LEGAL AMERICAN CITIZENS** and decreases the peace and unity that the Biden Administration claims to want for all American people.

Please vote an UNFAVORABLE report for HB 0533- Immigration- Occupations and Professions.

Thank you for your time,
