House Bill 1285 Maryland Electricians Act - Revisions

Position: **Support**

The Baltimore DC Metro Building Trades Council supports HB 1285. Electricians are a licensed craft and have mandated oversight from a certified Board for licensure and inspections. Apprenticeship training is an integral part in the first steps needed to become a licensed electrician journey person and those apprenticeable hours are worked under the direction of a master electrician they shall count toward the required numbers hours worked. Licensing protects your work and jurisdiction from injurious competition and the influx of out of state unlicensed and unqualified persons attempting to perform electrical work in MD.

We ask the committee for a favorable vote.

Respectfully,

Jeffrey Guido
