THE SENATE OF MARYLAND
ANNAPOLIS, MARYLAND 21401

March 4, 2022

The Senate Education, Health, and Environmental Affairs Committee
SB 645 Wicomico County - Alcoholic Beverages - Dinner Theater License
Statement of Support by Bill Sponsor Senator Mary Beth Carozza

Thank you Chair Pinsky, Vice Chair Kagan, and members of the Senate Education, Health, and Environmental Affairs Committee for the opportunity to respectfully ask for your support of **Senate Bill 645 Wicomico County - Alcoholic Beverages - Dinner Theater License**. This legislation, also sponsored by Senator Eckardt, is supported by the Wicomico County Council and Board of License Commissioners.

The bill would establish a Class B-DT (dinner theater) beer, wine, and liquor license in Wicomico County and authorize the Board of License Commissioners for Wicomico County to issue the license, and set the annual license fee to \$1,500.

This legislation will result in new opportunities for businesses for on-premises consumption, the sale of beer, wine, and liquor at dinner theaters that provide live music and entertainment, such as Broadway-style musicals, comedy, dance or drama provided that the facility contains a dining room for at least 80 individuals at one seating.

I believe we should do everything we can to support our small businesses and assist with providing additional opportunities. For these reasons, I respectfully ask for a favorable report of SB 645. Thank you for your kind consideration.

To whom it may concern,

Hello, my name is Fred Munzert, and I am a local small business owner in Wicomico County. I am writing in support of the proposed Wicomico County Alcohol Beverages Dinner/Theater License. My new performance venue, revival Productions located on West Main St in downtown Salisbury, would directly benefit from this new classification of liquor license whereby our patrons after purchasing a ticket in advance would be served alcoholic beverages and full-course meals during the performance.

Currently, our business is classified as a restaurant under our liquor license, which requires a high percentage of our sales to be food items. This places undue stress on our employees to sell more food items each night whereas our business model places the show as the most important part of the experience and food or beverages secondary.

Salisbury would benefit greatly from multiple quality entertainment venues. Our small venue has been providing entertainment since August 2021. With the addition of this proposed Dinner/Theater license, other venues will be more likely to find a home in Wicomico County and help fill the need for entertainment in our communities.

Thank you for your consideration for helping small businesses and supporting arts and entertainment in Wicomico County.

Sincerely,

Fred Munzert
