

LETTER OF INFORMATION

Bill: HB 1057 – Prince George’s County – Recreation Authority – Authorization (PG 406-22)

Date: March 30, 2022

Contact: Adrian R. Gardner, General Counsel
Caleen Kufera, Assistant General Counsel

Re: Letter of Information

The Maryland-National Capital Park and Planning Commission voted to oppose the original bill as written. Several of the reasons for the agency’s opposition have been addressed in the amendments adopted by the House Environment and Transportation Committee, however the public hearings held to date have imparted a significant element of mistaken impressions and misinformation.

Accordingly, the Commission has assembled the attachments to this letter in the interest of affording the Senate with a complete record as it considers this legislation. Specifically, please find the following:

- A fact checking sheet
- A presentation on Youth and Countywide Sports in Prince George’s County
- A letter from the Prince George’s County Planning Board Chair - Commissioner Hewlett

The Commission respectfully requests that the Committee consider this information and include it in the record.

Office of the General Counsel
221 Prince George Street, First Floor, Annapolis, Maryland 21401

301.454.1670 tel.

Proponents Comments	MNCPPC Response
<p><u>Existing Recreational Programs</u></p> <p>According to a video produced to promote the hype, Prince George’s County residents are “increasingly frustrated over the lack of quality [recreational] programming.” Is that true?</p>	<ul style="list-style-type: none"> <p>• The Quality and Variety of Existing M-NCPPC Programs Are Exceptional</p> <p>While there’s always room for continuous improvement, the M-NCPPC’s Prince George’s County Department of Parks and Recreation (the “Department”) offers a breathtaking array of recreational opportunities, and survey data indicates widespread support within the community.</p> <p>While operations are still rebounding from the COVID-19 pandemic, in 2021 the Department offered <u>6,285 different programs and services</u> to a very diverse community of all ages and levels of abilities. By comparison, in 2019, before the pandemic, the Department offered about <u>11,707 comparable programs and services</u>.</p> <p>• Survey Data Indicate Broad Community Support</p> <p>According to a recent independent survey conducted by ETC Institute, 65% of Prince Georgians are satisfied with the overall value they receive from M-NCPPC, Prince George’s County Parks and Recreation.</p> <p>The same survey also showed that 63% of Prince Georgians feel the value of Parks, Trails, Open Space and Recreation increased during the pandemic, providing a balance of health and wellness at a time residents needed most.</p> <p>• No Other Organization Has Earned Greater National Acclaim</p> <p>The Department is nationally recognized for our award-winning services. We are the only agency in the nation to have received the coveted <i>National Gold Medal for Parks and Recreation</i> management <u>six times</u> with accredited programing. Additionally, the National Parks and Recreation Association awarded the Department the <i>National Excellence in Inclusion Award</i>.</p> <p>• Bottom Line</p> <p>Existing law requires the M-NCPPC to deliver a “balanced program” of recreation and it appears that the proponents of HB 1057 are focused almost exclusively on elite youth sports leagues. That focus may explain why the M-NCPPC disputes the hype -- even as our team is working right now to enhance support for elite youth sports. <i>See more below.</i></p>

Proponents Comments	MNCPPC Response
---------------------	-----------------

<p><u>Existing Recreation Facilities</u></p> <p>Certain proponents question the value to taxpayers by claiming that M-NCPPC’s Department of Parks and Recreation does not offer recreational facilities that are not comparable or equivalent to other jurisdictions in the region.</p>	<p>• The Number and Diversity of M-NCPPC Facilities are Second-To-None</p> <p>Without exhausting all the categories that are too numerous to mention here, the Department currently operates:</p> <ul style="list-style-type: none"> ✓ 303 Athletic Fields ✓ 370 Parks ✓ 238 playgrounds ✓ 45 Community Centers ✓ 13 Aquatic facilities ✓ 5 Cricket fields ✓ 4 Sports Complexes ✓ 1 Boxing Center <p>That’s more variety and a bigger number than any other local agency in Maryland.</p> <p>• Our Facilities Win Awards</p> <ul style="list-style-type: none"> ✓ Public Building of the Year- <i>South County Tech Rec Center</i>- AIA Md. 2015 ✓ Merit Award- <i>Wizard of Oz Playground</i> - Maryland ASLA 2017 <p>• Great Environmental Design</p> <p>Several of the Department’s state-of-the-art facilities are LEED-certified. For example:</p> <ul style="list-style-type: none"> ✓ The Department’s new <i>Tucker Road Ice Rink</i> features a National Hockey League-sized ice rink, 48,860 square feet for general indoor community and ice-skating recreation, figure skating, and ice hockey, with bleachers for 300 to 350 spectators. <p>• Accepting Responsibility to Improve Turf Management</p> <p>The incidence of poor turf conditions can be evidence of a vibrant demand for field time. However, <u>many</u> of the turf fields utilized by sports teams in Prince George’s County are <u>not</u> M-NCPPC facilities – so it’s wrong to presume the Department is at fault. Even so, the Department already has accepted responsibility for improving the systems for turf management at M-NCPPC facilities. Among other things, the Department is expanding the inventory of artificial turf fields through multigenerational facilities.</p>
--	---

Proponents Comments	MNCPPC Response
<p><u>Fiscal Responsibility</u> Some proponents raise concerns about how the “Commission spends” money on public recreation. For example, one constituent has questioned the budget process, a union advocate questioned the public’s “rate of return,” and another proponent said they had no idea where the tax funds are spent.</p>	<ul style="list-style-type: none"> <p>• The Prince George’s County Government Controls Our Budget – Not the Agency</p> <p>The Department’s budget is vetted and legally adopted through a Prince George’s County legislative process that includes provisions for a veto and override. For example, the county adopted the Department’s FY 2022 recreation budget as part of Council Bill 34-2021 (May 29, 2021). The Commission and Department’s role is to offer subject matter experts and make fiscal/policy recommendations after meeting with each councilmember and county budget team.</p> <p>• We Follow the County’s Spending Affordability Budget Review Process</p> <p>In last year’s budget message, the County Executive “[commended] the Commission for proposing an operating budget that remains within the Spending Affordability Committee (SAC) spending ceilings and look forward to working with [the agency] and other members of the County Council to ensure that future spending plans do not necessitate future tax increases.”</p> <p>• The Public Has Multiple Opportunities to Review and Shape the Budget</p> <p>Each year, typically, the Department’s proposed recreation budget is open to public comment and review for almost six months before a final adoption in May. There are multiple hearings and listening sessions, some jointly with the County Council and the Planning Board.</p> <p>• Our Budget and Financial Reports Win Awards for Transparency</p> <p>The leading group of 21,000 finance officers across the United States and Canada – the Government Finance Officers’ Association – has awarded the M-NCPPC with its top national awards for both distinguished budget presentation and distinguished financial reporting every year over multiple decades. In fact, this winning streak makes our agency a winner for more consecutive budget awards (37) and financial reports (47) than any other government entity in its category.</p>

Proponents Comments	MNCPPC Response
---------------------	-----------------

<p><u>User Fees and Affordability</u></p> <p>Some advocates for the bill have raised concerns whether the Department’s fees and charges are too high.</p>	<ul style="list-style-type: none"> • Some Field Usage Fees Are Less Than Other Jurisdictions <p>Comparative hourly rental fees for grass fields rented without lights are as follows:</p> <table style="margin-left: 20px;"> <tr> <td>✓ Prince George’s County</td> <td>\$10 per hour</td> </tr> <tr> <td>✓ Montgomery County</td> <td>\$18 per hour</td> </tr> <tr> <td>✓ Washington, DC</td> <td>\$5/8 per hour (residents/non)</td> </tr> <tr> <td>✓ Arlington, VA</td> <td>\$35/70 per hour (residents/non)</td> </tr> <tr> <td>✓ Howard County, MD</td> <td>\$18 per hour</td> </tr> </table> <ul style="list-style-type: none"> • The Department Follows Fee Policies That Subsidize Public Access <p>It is important to note that the Commission’s fee policies are <u>not</u> intended to break-even on aquatics, golf, senior programs and other activities that can involve significant personal expense. Rather, with periodic approvals by the County Council, the agency sets recreation fees to make them affordable for most families in the County. For that reason, these vital enterprise fund programs are subsidized from tax supported funds totaling more than \$11 million in FY 2022.</p> <ul style="list-style-type: none"> • Waivers Are Available for Those in Need <p>For struggling families unable to participate in the Department’s programs – even at the subsidized rates – the agency offers a fee waiver program to ensure access. Toward this end, in FY 2019 (pre-pandemic), the Department provided \$582,586 in fee assistance support to families in need to assure access to all, regardless of their ability to pay.</p>	✓ Prince George’s County	\$10 per hour	✓ Montgomery County	\$18 per hour	✓ Washington, DC	\$5/8 per hour (residents/non)	✓ Arlington, VA	\$35/70 per hour (residents/non)	✓ Howard County, MD	\$18 per hour
✓ Prince George’s County	\$10 per hour										
✓ Montgomery County	\$18 per hour										
✓ Washington, DC	\$5/8 per hour (residents/non)										
✓ Arlington, VA	\$35/70 per hour (residents/non)										
✓ Howard County, MD	\$18 per hour										

Proponents Comments	MNCPPC Response
<p><u>Support for Community-Based Recreation and Sports Groups</u></p> <p>Several advocates implied the Department was not providing any meaningful support for the Boys and Girls Clubs and other local sports and recreation groups. One youth sports leader mentioned fees of \$5,000 or \$6,000 to rent M-NCPPC fields.</p>	<ul style="list-style-type: none"> <p>• The County Boys and Girls Clubs Receive Extensive Financial and In-Kind Support</p> <p>The Department provides youth sports programs both directly and in conjunction with a number of community-based groups. In particular, the Department has an existing contract to support the Prince George’s County Boys and Girls Club organization with an annual contribution of \$140,000 to defray the cost of program administration. In addition to that support, the Department provides office space, telephone service, utilities, and staff, and sponsors the club’s liability insurance coverage on an in-kind basis.</p> <p>• Local Boys and Girls Clubs Receive Additional Support</p> <p>Above the support provided to the county-wide organization, the Department provides an additional \$232,500 to support various affiliated Boys and Girls Clubs – for a total annual contribution of \$372,000 for all the clubs combined.</p> <p>• The Department Gives Boys and Girls Clubs Free Field Use</p> <p>The Department extends the PGCBGC first priority status for field/facility reservations and only charges for <u>lighted</u> field use. Contrary to what one witness said, the Department can find no instance of charging five or six thousand dollars for any Boys and Girls club field use. As indicated above, however, <u>many</u> of the turf fields utilized by sports teams in Prince George’s County are <u>not</u> M-NCPPC facilities – so the witness may have been referring to another entity.</p> <p>• Reserving Fields is Not Complicated</p> <p>The Department has assigned a single point of contact to coordinate programs and facilities for youth sports. Obtaining a permit for our fields is a very simple process. It requires an application to be completed, a completed form emailed along with proof of insurance.</p>

GAME ON M-NCPPC Youth Sports Strategic Plan for Prince George's County

Parks & Recreation
M-N C P P C

BerryDunn

Plan started in Late February, 2020, approximately one month before Tommy assumed the role of Division Chief.

The name of the plan is Game On, Youth Sports Strategic Plan for Prince George's County. And, it will direct and guide my division and the Department as a whole in how we deliver youth sports moving forward.

Slide 4

GAME ON STRATEGIC PLAN OUTCOMES

- Extensive Community & Stakeholder Engagement
- Vision, Principles, Goals, Actions & Initiatives
- One Stop Shop Landing Page for the Youth Sports Division
- Gap Analysis
 - Facilities Reservation System
 - Programs
 - Facilities and Fields
- Concept Plans and Cost Estimates

GAME ON  4

What did we get from this plan? What can we expect from this plan? What are the outcomes?

- Extensive Community and Stakeholder Engagement
- Statement, vision, goals, actions, and initiatives
- A one-stop-shop landing page for the Department's sports delivery, which will also be a destination for residents looking for anything youth sports.
- An analysis of gaps – permitting, programming, and facilities and fields
- Then, concept plans and cost estimates

Slide 5

✓ Principles → Goals → Actions → Plan

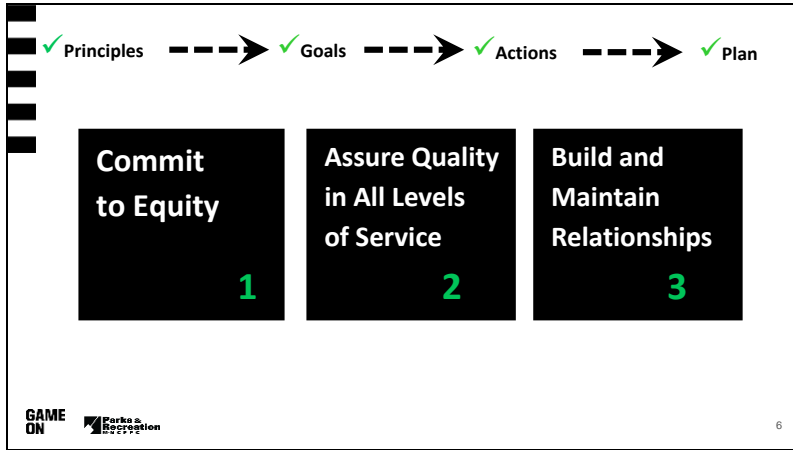

VISION STATEMENT

Building a **connected, countywide **comprehensive** youth sports system that is grounded in **equity** and **accessibility** while supporting the **positive character** and **skill development** of young people within Prince George's County**

GAME ON 

Based on stakeholder engagement and multiple workshops with internal staff, this vision statement was developed for the Department.

Slide 6

The plan used the following three principles as guideposts during its development.

Slide 7

Principles	Goals	Actions	Plan
Commit to Equity	Intentionally develop strategic partnerships to increase accessibility of offerings and expand the capacity to deliver needed programs to the County	Assign staff to collaborate with Resource Development Unit to research, analyze, and build feasible internal and external program and financial aid partnerships	
	Expand facility inventory through community partnerships	Expand current agreement with PGPCS to allow comprehensive facility access	
	Support training/credentialing for career, seasonal and volunteer staff prior to sports programming facilitation. Each YCSD coordinator or specialist to ensure that all staff/coach/instructor meets requirements	Develop a standardized coach/instructor training curriculum which includes DEI components	
	Program for the development of the whole youth, using sports as a framework	Create service, volunteer and paid opportunities for youth	
Assure Quality in All Levels of Service	Create a consistent, Division-wide approach to providing a pleasurable and seamless customer experience for patrons/users/residents	Develop specific Standard Operating Procedures (SOP) for all programs that define operational guidelines and protocols for service delivery	
	Provide all YCSD staff, coaches and volunteers with easy access to essential departmental information	Establish a regular schedule of check-ins and sharing sessions with internal staff and coaches/volunteers for consistent and continuous messaging of division information	
	Develop consistent, articulated and accessible service guidelines for programs and staff at all levels to ensure positive experiences for participants	Issue annual report of programs and facilities	
Build and Maintain Relationships	Design and managed facilities with customer experience as a priority	Ensure that YCSD has representation during the planning and implementation process of a facility.	
	Create a clear point of contact for each service and an understanding of chain of command, both for internal staff and external stakeholders	Include organizational information on website (leadership) to show who's in responsible, including photo, brief description of role	
	Establish consistent meeting schedule with external stakeholders	Schedule mandatory quarterly meetings	
	Formalize current partnerships to ensure all parties are operating from a clear understanding of delivery requirements	Articulate Community Connect tool and its usefulness as part of YCSD	

GAME ON Parks & Recreation DEPT

Development of the goals (middle column), and actions (right column), and this slide is an example of many goals and actions, was based on assessments done, and gaps discovered during the past two years of study.

When the plan is finalized, you see each and every goal we will aim to meet and actions we will take to do so.

Slide 8

Let's take a look at community engagement.

Slide 9

Despite a COVID-19 environment, especially early on when most engagement took place, we connected with folks.

Over 3000 visits to our Game On webpage, we certainly listened online as well. There is a graph to the right which shows visits, comments, survey responses, etc.

Slide 10

GAME ON Parks & Recreation M-N-C-P-C BerryDunn

We branded Game On, as you can see from the graphic flyer in the top left.

Slide 11

YOUTH SPORTS SUBSITE

READY TO GO LIVE: The subsite is a one-stop shop for the Youth & Countywide Sports Division, using the look and feel we've built through this process. Sections:

[HOME](#) | [ABOUT](#) | [SPORTS](#) | [GET INVOLVED](#) | [FACILITIES](#) | [DIRECTORY](#)

GAME ON Parks & Recreation M-N-C-P-C

While the current Game On website has acted as a foundational piece for the Youth Sports Strategic Plan and engagement process, it will soon evolve into that “one-stop-shop” site for the Department’s sports delivery.

We knew the current site would be temporary, serving our initial needs and encouraging participation. Now that an online presence and look has been established, a longer-term

digital home for PGParks sports will be created.

This site will be a robust, informative, and scalable one introducing not just Department of parks and Rec sports offerings, but contact information and links to all youth organizations in the county via the Directory section.

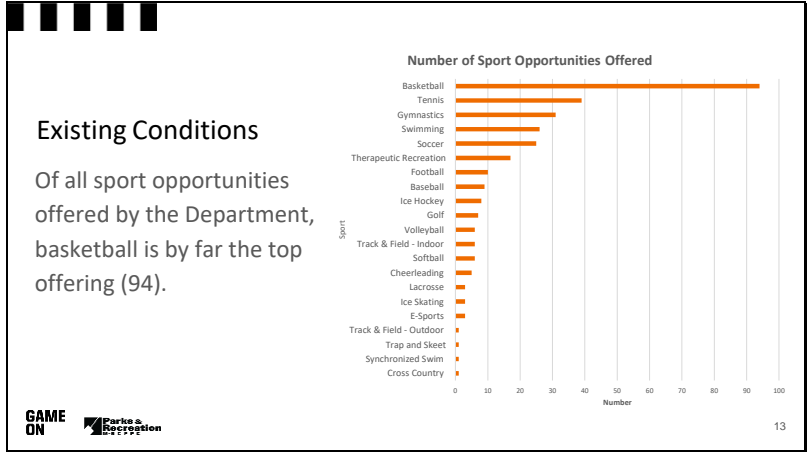

There will be clear calls-to-action – whether that’s to register your child for a program, to reserve a field for your team, or other ways to get involved such as coaching or refereeing.

Slide
12

We took a dive into all the Department’s Youth Sports offerings, and what follows are some key findings of the current or existing conditions of those programs.

Slide 13

And by top offering, we mean number of basketball programs (classes, clinics, teams, leagues, etc.) offered.

Slide 14

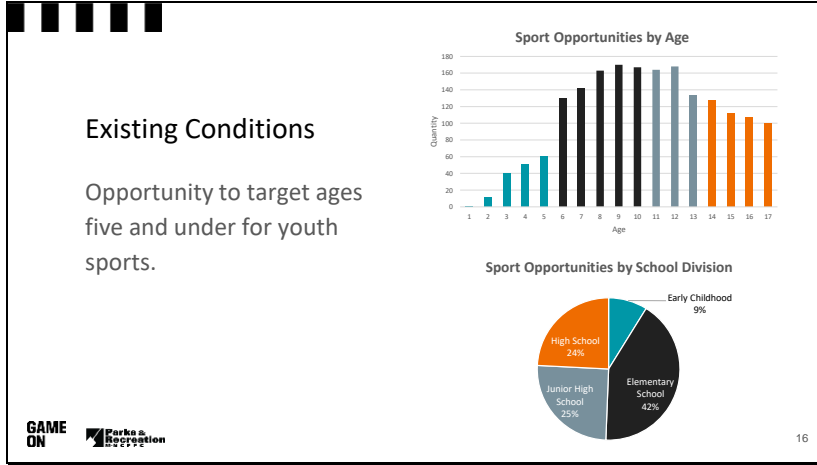

Slide 15

Geographically, residents in the southern part of the county have the least amount of sports offerings available to them.

In addition, only 10% of all programming was countywide, meaning the offerings were siloed by community center or sports complex, not offered consistently across the county.

Slide 16

We found we need to step up our Early Childhood and pee wee sport offerings.

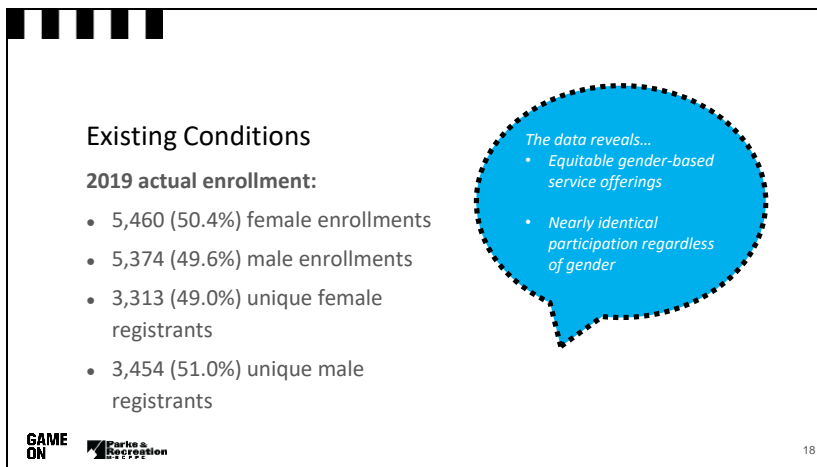

Slide 17

As you can see, 85% of Department youth sport programming is co-ed, with about 6% of it being girls-only.

We are well aware that we have tremendous room for growth with or girls only programming, and have already taken strides to address this as you will see later.

Slide 18

Now, while just over 6% of our offerings were girls-only, we do see gender equity across all offerings as girls seem to take advantage of and participate in co-ed programming, just as much as boys do.

Still, we need more girls-only opportunities.

Slide 19

Lastly, we relied on data from our Permitting and Field Operations unit, and took a look at who rented fields and gyms from us.

As you can see, soccer groups are number 1, followed by football groups, then baseball/softball groups at number 3.

All these user groups, many of who are independent youth sports organizations who call Prince George's County home, their information will serve as the foundation of the resource Directory, which will be found on our website.

Slide 20

While we saw some gaps when reviewing the existing conditions of programs and services, we'll go a little deeper here with additional gap analysis.

Slide
21

Gap Analysis

NCAA 25 current and 12 emerging sports were used as a benchmark.

NCAA Sports	MNCPPC Provided	NCAA Sports	MNCPPC Provided
Current		Emerging	
Baseball/Softball	✓	Acrobatics and Tumbling	
Basketball	✓	Archery	
Beach Volleyball		Badminton	
Bowling		Cheerleading	✓
Cross Country	✓	Cricket	✓
Diving	✓	Equestrian	*
Fencing		E-sports	✓
Field Hockey		Rugby	
Football	✓	Skate boarding	
Golf	✓	Synchronized swimming	✓
Gymnastics	✓	Team handball	
Ice hockey	✓	Triathlon	✓
Lacrosse	✓		
Rifle		Non-NCAA Sports	
Rowing		Figure Skating	✓
Skiing		Target Shooting	✓
Soccer	✓		
Swimming	✓		
Tennis	✓		
Track & Field (indoor)	✓		
Track & Field (outdoor)	✓		
Volleyball	✓		
Water polo			
Wrestling			

GAME ON  21

I'll let you stare at this for a few seconds, but the Department of Parks and Recreation offers, in some form, 15 of the current 25 NCAA sports - this NCAA offering was used as a benchmark.

There are 12 emerging NCAA sports, and the Department offers 5 of those 12.

We hope to improve these ratios as we move forward.

Slide
22

Gap Analysis

- Southern Area Operations / Community Centers
- Drop-In (could use more balance)
- Exploration-based opportunities
- Fall Season
- Early Childhood (ages 0-5 years)

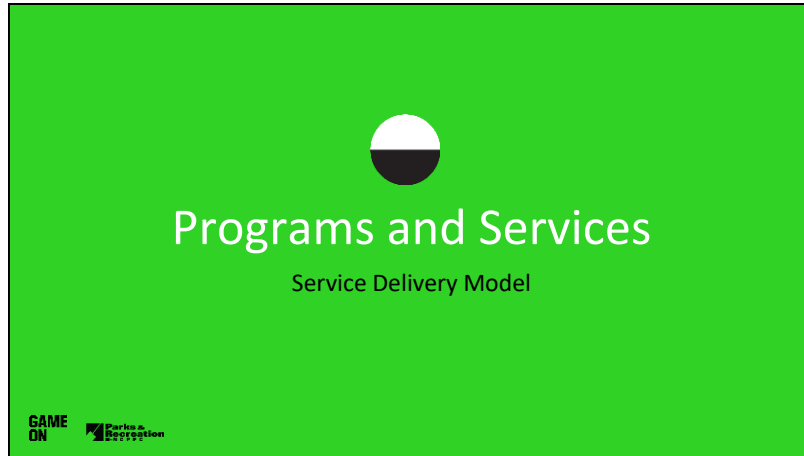

GAME ON  22

To summarize for the existing conditions and gap analysis, the Department needs:

- More programs in Southern area
- More drop-in opportunities, as opposed to courses, clinics, and leagues where registration is required
- More try opportunities, or exploration based offerings – we've started this with Pickleball for adults, and hope to add cycling for the youth this summer
- More fall sport programs – what we do now is primarily winter, spring and summer
- and of course, more pee wee offerings

Thankfully, and again you will see later, we have already started to “fill” some of these gaps.

Slide
23

Slide
24

Youth Sports Program Delivery Model

The Department does and should play each of four core roles:

- **Partner**
- **Provider**
- **Facilitator**
- **Resource**

Within each sport, a definition of which role it plays with each relationship according to each role's criteria.

1. Partner
A specific Department resource (i.e., staff, facility, expertise, funding, etc.) is used in a collaborative relationship with one or more other entities to provide a sport opportunity

2. Provider
Permit Department facilities for other sport groups to use for sport provision

3. Facilitator
Department leads the entire sport experience, with County-trained coach/instructors/volunteers, from program development to implementation. This includes sport exploration and skill-building opportunities, league play, clinic, and competitions.

4. Resource
Department provides coach/instructor training, a central database of all sport opportunities, and leads county-wide collaboration between providers

GAME ON **Parks & Recreation**

24

We must, moving forward, better play the following roles:

Partner, Provider, Facilitator, and Resource

- Partner – an example of this is the Prince George's Pride Lacrosse Club and it's support of the Department-run Prince George's Youth Lacrosse League, or Monumental Sports/Jr. Wizards assistance in the Department delivering basketball clinics, or PGCPs working side by side with the Department for facility and field share.
- Provider – it's our field inventory; we permit our fields (and some gyms) to external groups
- Facilitator – this would be Department led programs such as gymnastics at Sports and Learning Complex, or Boost Your Game Girls Fundamental Basketball

Skills courses, or Stick-to-It Lacrosse girls courses, or Fundamentals of Baseball/Softball courses

- Resource – Department providing Jr. Referee Training, or coaching clinics as USA Basketball came to SAARC in the fall, or the Directory section of our future webpage

Slide
25

Youth Sports Program Delivery Model

Administration

- (Internal) YCSD provides centralized youth sports oversight for the Department
 - Consistent, quality experience
 - Reduce internal competition, duplication
 - Promotes flexible resource allocation
- (External) YCSD serves as Youth Sports Community Partner Liaison Supports Partner and Resource roles
 - Manages preferred provider requirements
 - “Switchboard operator” for all-things-sports
- Requires an additional Full-Time position

GAME ON  25

So how are we going to do this? While programmers’ program, we will need one person to lead the charge both internally and externally with a focus on this model.

Internally, the Youth and Countywide Sports Division need to provide centralized youth sports oversight for the Department’s traditional sports. As it works today, my division delivers sports, as do our 45 community centers, some independently.

Of course we collaborate, but primarily for space share, not course or program consistency. This model, with YCSD as the clearinghouse for lack of a better work, will provide:

- A consistent, quality experience
- Reduce internal competition, duplication
- And promote flexible resource allocation (not just space, but instructors, MOUs with sport

governing bodies like USA Lacrosse, etc.)

Externally, the YCSD on behalf of the Department will serve as the Youth Sports Community Partner liaison. It will need someone to manage preferred provider requirements for those organizations wanting to partner, and be the switchboard operator from the inside to the outside for all things sports, allowing our programmers to continue to program, without the extra lift of partner oversight.

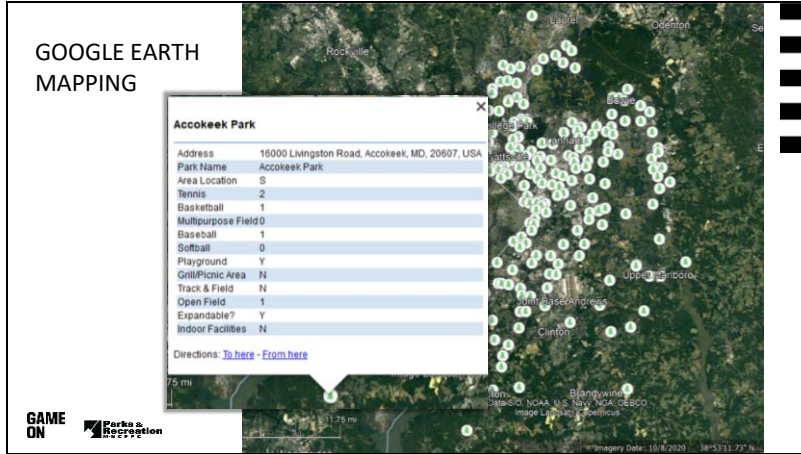

Slide
26

We took a look at all of our fields and facilities, developing and extensive inventory of assets.

This inventory also included PGCPs fields and facilities.

Slide 27

As you can see here with Accokeek Park, google Earth Mapping was used as this asset inventory was developed.

Slide 28

An application using GIS Mapping was developed which allowed the consulting team and members of our Park, Planning and Development Division view/search/assess fields and facilities in a layered approach by categories such as:

- Gym
- Diamond
- Rectangle
- M-NCPPC or PGCPs

Slide 29

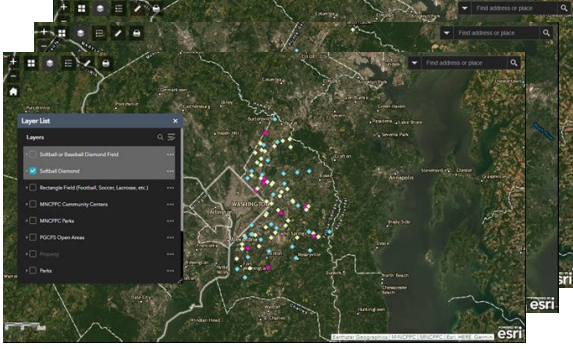

Once the asset inventory was established, service levels across county were analyzed as facilities and fields were reviewed, and of course recommendations then made.

Slide 30

SERVICE LEVELS

- Levels 1, 2 and 3
 - Rectangular
 - Diamond

GAME ON 

As I mentioned, Level of Service was documented throughout the county to identify areas of need.

Each field/facility again was captured on a multi-layered GIS mapping system, which will be used and updated by our Park, Planning and Development Division moving forward.

Slide 31

FACILITY GAP ANALYSIS OUTCOMES

- Service Level Improvements
 - High Priority
 - Low Priority
 - Limited potential for expanded programming

GAME ON 

After this work was done, all assets were placed into categories as follows with respect to service level improvements.

Slide 32

Northern and Southern Regions Parks Divisions

- Parks Divisions created in 2021 with new, dedicated “ballfield teams”
- Partnered with Mid Atlantic Sports Turf Manager’s Association to develop Best Management Practices (BMPs)
- Implemented an objective athletic field evaluation tool known as Playing Conditions Index

Tucker Road #2 – Before and After

GAME ON 

While this slide was NOT a part of Game On Strategic Plan Development, it is a good time to talk about the Department’s athletic field quality in general.

In 2021, last year, 2 new parks Divisions were created, and dedicated “ballfield teams” were hired in both the Northern and Southern regions.

Those ballfield teams have partnered with Mid Atlantic Sports Turf Manager’s Association to develop Best Management Practices, or

BMPs, for our fields, and have implemented the Playing Conditions Index, an objective field evaluation tool.

We can already see the results. The pictures here are of Tucker Road #2 before and after – you can see the difference, and there are other examples across the county.

We know we've had issues with field preparation and quality, and have addressed this.

Slide
33

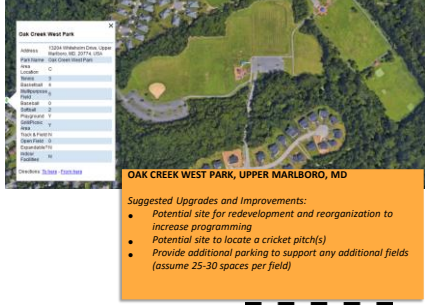

Slide 34

GROW IN PLACE MODEL

- Using identified gaps in service levels, this model prioritizes repurposing of existing facilities to meet the needs of the community and to create equity of access for youth sports participation throughout Prince George's County.
- Expanded, shared use of PGPCS facilities is also crucial to model implementation.

Example high priority / service level upgrade

OAK CREEK WEST PARK, UPPER MARLBORO, MD

Suggested Upgrades and Improvements:

- Potential site for redevelopment and reorganization to increase programming
- Potential site to locate a cricket pitch(s)
- Provide additional parking to support any additional fields (assume 25-30 spaces per field)

GAME ON Parks & Recreation

This is an important piece, as after identifying gaps in the service levels, we have developed a Grow in Place model which focuses repurposing existing facilities, rather than acquiring new ones, to meet community needs but more importantly create that equity countywide.

A key part of this model implementation, as it's not all Commission properties, is the expanded use of PGPCS facilities.

Here is a small shot of Oak Creek West park in Upper Marlboro. It was one of the high priority sites for repurposing.

Slide 35

OAK CREEK WEST COMMUNITY PARK

1/11/2021, 10:58:33 AM

World Boundaries and Places

- Suburb (domest)
- Level I
- Level II
- Level III

MDC/PC Parks

- Property
- Road Garage
- Stream Catcher and Drainage (2017)
- Wetland (DNR)

Wooded Conservation Area

- Parkland
- Subland
- Subland, Not Credited
- Wetland (DNR)

GAME ON Parks & Recreation

And, here is just one more shot using that GIS technology, with assets mapped underneath.

Slide
36

And, here is the park as it exists currently.

2 diamonds, 4 rectangles, 2 tennis courts...limited parking.

Slide
37

And, here it is, the same park, when redeveloped or repurposed.

7 rectangles, 3 diamonds (2 overlays), 2 NEW cricket pitches, 4 more tennis/Pickleball courts, and increased parking.

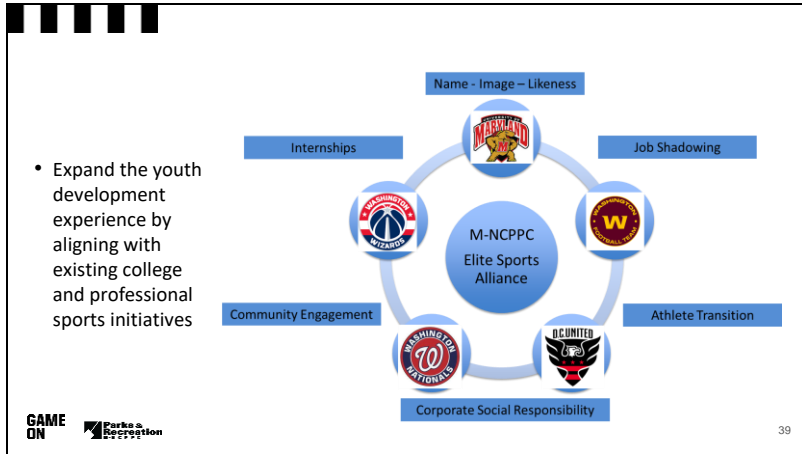

Based on the needs assessment we've talked about, this new version of Oak Creek West, would provide the Southern region with elements necessary to provide equity of access.

Slide
38

Now on to Youth Development.

Slide 39

- Expand the youth development experience by aligning with existing college and professional sports initiatives

This strategic plan includes a detailed approach to creating a sports alliance with local college and professional teams to align with their corporate social responsibility initiatives.

While the Department does a great job already with Youth Development through Xtreme Teens, GEAR or Girls Excited about Recreation, this would be a sports focus.

Think of Name, Image and Likeness in 2022. Think of exposing young people via internships and job shadowing to careers in sports outside of being just the player or athlete.

Our Division would likely work with our Special Programs Division to make this happen, but this would be another tentacle to connect young people to sports in our county.

Slide 40

GAME ON What's Next?

- Edits to draft document and Action Matrix
- Go Live 'One-Stop-Shop' YCSD sub site
- Final Plan, Approval

GAME ON Parks & Recreation

So what's next?

Edits need to be made to the final draft, and to the Action Matrix.

Once that is done, the final plan needs to be approved by Department leadership.

Lastly, the consulting team is working with the Department's web team to get the "One-Stop-Shop" Division/Department website to go live.

Slide
43

Youth Sports In Action: *Ready, Set, Grow*

GAME ON Parks & Recreation

43

In the fall, YCSD and North Forestville CC teamed up with Monumental Sports, Washington Mystics and the Jr. Wizards to offer the her Time To Play Girls Basketball Clinic.

We had about 30 girls, and again, fundamentals and a chance to be exposed to the game in a girls-only setting.

Slide
44

Youth Sports In Action: *Ready, Set, Grow*

GAME ON Parks & Recreation

44

The Department's first ever Under Armour Under the Lights Flag Football Fundamental Series was offered Sunday mornings at Woodmore Towne Park. The last session was under the lights at Walker Mill.

Another maxed out class with a waiting list, where kids of all skill sets, boys and girls, got to learn the game of football. Our hope is that many of these young people sign up for this spring's Under Armour Under the Lights Flag Football League the Department will be overseeing.

YCSD stands for the Youth and Countywide Sports Division, but we also deliver adult sports.

We hosted our first Try Pickleball event at Mitchellville South Park in Bowie. A solid turnout, and we are offering another event like this in the spring.

In addition to programming, we've worked with our maintenance teams to upgrade some of our current tennis and pickleball courts for better pickleball play!

Pickleball nets are being installed at Lakeland Park in College Park this week – I believe this dedicated pickleball court is the first of it's kind in the county.

Just before Halloween the Department offered its first ever FREE USA Basketball Coaching Clinic at Southern Area Aquatics and Recreation Center in Brandywine. USA Basketball is the governing body of the sport here in the United States, and the coach who lead the clinic is Don Showalter, the long time head coach of the Junior Mens National Team.

The clinic was attended by many local boys and girls club coaches, as well as our own PGParks Inter-center Basketball coaches.

Of course, lacrosse and girls lacrosse is growing in the County. We ran another session of Stick-to-it, a 6-week lacrosse fundamental series for girls only at Woodmore Towne Center.

Great attendance, great instruction by local college players, and great buzz.

We are excited to announce that our Prince George’s Youth Lacrosse League, traditionally co-ed but primarily boys, will add a Kindergarten – 2 Grade Girls Only Division this spring.

I have NO doubt these Stick-to-it clinics are the primary reason that the girls division will be formed.

Similar to Stick-to-It Girls Lacrosse, the Department offered its first ever Boost Your Games Girls Developmental Basketball Series last fall.

Parents of the girls who signed up want more, and we plan to offer this series again in the spring and summer, with the hopes of having a girls only 3 on 3 league next winter.

If you recall, one of the service gaps was girls-only sports. YCSD has directly addressed this, and will continue to address, with these type of offerings.

The Department of Parks and Recreation, Prince George's County is the first agency of its kind to sign an MOU with USA Lacrosse. In addition to equipment, coaching tools, and other resources, the national lacrosse governing body has partnered with us to host lacrosse clinics here in the county. The flyer to the left is one that took place in November at SAARC in Brandywine.

The flyer to the right is for a College Baseball Showcase in which we partnered with Prince George's Community College for the first time to provide college exposure to the county baseball seniors whose final season was all but cancelled due to COVID-19. This was done at Baysox Stadium.

Re: PG 406-22 – Prince George's County – Recreation Authority – Authorization

Dear Chairs Benson and Charles:

On behalf of the Prince George's County Planning Board (the "Board") of the Maryland-National Capital Park and Planning Commission ("Commission"), this letter is offered to clear the record and answer several important questions that warrant addressing after your hearing earlier this week on the local bill referenced above.

First, and foremost, we are compelled to clear up any confusion about how the Board allocates the public recreation budget in Prince George's County. The simple answer is: The Board doesn't allocate the recreation budget at all – the Prince George's County Government does. By law, the Board and Commission follow a completely transparent and public process, which involves direct input from the County on how Commission funding is spent. Twice annually, each and every year, the Commission consults with the Prince George's County Government's Spending Affordability Committee to ensure that we conform to their spending guidelines. This is done pursuant to County law. Additionally, the Commission's budget for the Department of Parks and Recreation is submitted to the County Executive and to the County Council, then the staff meets with each Councilmember individually, and there are several budget forums for the public, and several public Q&A budget sessions with the County Council. The Commission presents a proposed budget every January. The next step involves a series of public hearings with the Council and written comments by the County Executive.

In May, the County Council votes to adopt local legislation which becomes the Commission's annual recreation budget. The County Council can, and often does, amend the

The Honorable Joanne C. Benson
The Honorable Nick Charles
February 10, 2022
Page 2

proposed recreation budget at any time between January and May - from the time the Council holds its public hearings on the annual recreation budget until the Council votes on it. For your convenience, we have attached CB-34-2021, approved by the County Council on May 27, 2021, for FY 2022, which illustrates the detailed direction from the County on where it desires recreation funding to be spent. Under State law, the County Executive has line-item veto authority over the County Council's enactment and the Council has the ability to override that veto. We cannot recall any recent instance when the veto right was exercised. Throughout the whole process of approving the Commission's annual recreation budget, County government has multiple points at which it is aware of how the budget is allocated and can provide input to amend that budget.

Second, we want to clarify for the Delegation how the agency actually spends the recreation budget, because based on some of Monday's testimony one could infer that there may be irregularities in the spending or allocations of the Council-approved recreation spending. I reiterate that all Recreation spending has been approved by the Prince George's County Council following review by the County Executive. On that point, our agency's financial reporting has won the top national award offered by the *Government Finance Officers Association* for government transparency and full disclosure of its annual comprehensive financial reports for 47 consecutive years. In fact, our Commission is nationally known for winning more consecutive awards for financial transparency and disclosure than any similar state or local government in the United States. Further, the Commission is audited annually and submits each annual audit to the State of Maryland Office of Legislative Audits.

Beyond audits and reports, the Commission follows an important budget policy long determined by our County Executive and Legislative Branches to make recreation affordable and accessible for Prince George's residents. Specifically, our fee policies are not designed to break-even on aquatics, golf, senior programs and other activities that can involve significant personal expense. Rather, with periodic approvals by the County Council, the agency sets recreation fees to make them affordable for most families in the County. For that reason, these vital programs are subsidized from tax supported funds totaling more than \$11 million in FY 2022. Moreover, for struggling families unable to participate even at the subsidized rates, we offer a fee waiver program to ensure access. For your convenience, I have attached more information to summarize the proposed recreation budget for FY 2022.

Third, we want to be clear that we applaud and fully support the Prince George's County Boys and Girls Clubs (PGCBGC) and recognize their vital role in developing our youth. Just this year, our agency will fulfill terms of an agreement to provide an annual \$140,000 stipend to the PGCBGC. This agreement also includes office space, telephone service, utilities, and staff, and the Commission also underwrites their insurance coverage. The PGCBGC also receives priority field/facility reservations for use of M-NCPPC fields and recreational facilities. Further, an additional \$232,500 is provided by M-NCPPC to INDIVIDUAL PGCBGC through project charges, as directed by the County Council, for a total Boys and Girls Club annual contribution of \$372,000.

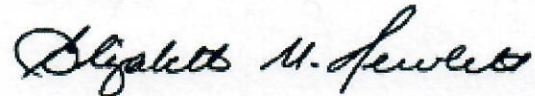

The Honorable Joanne C. Benson
The Honorable Nick Charles
February 10, 2022
Page 3

Finally, we have arranged to deliver a copy of our seasonal guide to each of your offices so that you can see the depth and variety of multi-generational activities we offer to our County residents. The Commission's ability to provide this diversity of programming year-in and year-out is precisely the reason that no other recreation program in the nation has won six (6) Gold Medal Awards for Parks and Recreation Management from the *National Recreation and Park Association* for our excellence in resource management and innovative approaches to deliver superb park and recreation services with fiscally sound business practices. We hold the National Record! This is surely something to tout for our beloved Prince George's County and is thanks to the dedicated men and women of the Commission, in conjunction with our elected officials, stakeholders, and our engaged residents. Quite frankly, Prince George's County's recreation programs under the management of the Commission are not just national but internationally known for its excellence in programming and stewardship. Recreation professionals around the nation and the globe contact our recreation experts to learn about our best practices in a variety of disciplines. Through the prudent management of the Commission and its recognized high standards in program innovation and integrity, we have been able to create something really special in recreation for the residents of our County that would be put in jeopardy if it was taken away from the stewardship of the Commission.

Thank you for your careful review – I simply felt compelled to provide this additional information for you in your decision making. We surely applaud and support youth and competitive sports, but want to emphasize that we support the ENTIRE array of recreation programs, summer camps, national award-winning therapeutic recreation programs, cultural and performing arts programs, and so much more offered to our residents, our toddlers, our seniors, all Prince Georgians and our many visiting guests.

Again, thank you for the opportunity to provide pertinent information for your careful review.

Sincerely,

Elizabeth M. Hewlett, Chair
Prince George's County Planning Board

CC: Members of the Prince George's County Senate Delegation
Members of the Prince George's County House Delegation

COUNTY COUNCIL OF PRINCE GEORGE'S COUNTY, MARYLAND

2021 Legislative Session

Bill No. CB-34-2021

Chapter No. _____

Proposed and Presented by Council Member Hawkins

Introduced by Council Members Hawkins, Taveras, Anderson-Walker, Glaros, Ivey,

Harrison, Turner, Streeter, Franklin, Dernoga and Davis

Date of Introduction May 27, 2021

BILL

1 AN ACT concerning

2 Maryland-National Capital Park and Planning Commission

3 For the purpose of approving the Prince George's County portion of the Maryland-National
4 Capital Park and Planning Commission budget and making appropriations and levying certain
5 taxes for Fiscal Year 2022 for the Maryland-National Capital Park and Planning Commission,
6 pursuant to the provisions of the Land Use Article of the Annotated Code of Maryland, as
7 amended ("Land Use Article").

8 SECTION 1. BE IT ENACTED by the County Council of Prince George's County,
9 Maryland, that, in accordance with Title 18 of the Land Use Article, the annual budget
10 transmitted to the County Council by the Maryland-National Capital Park and Planning
11 Commission on January 15, 2021, and as amended on May 25, 2021, is approved insofar as it
12 applies to Prince George's County subject, however, to the additions, deletions, increases or
13 decreases thereto which are contained in Appendix A to this Act, attached hereto and
14 incorporated as if fully stated herein, and that the revenues to be derived from the rates herein be
15 and the same established are hereby appropriated and authorized to be disbursed for the purposes
16 specified by the provisions of the Land Use Article, as amended, and for the support and
17 maintenance of the purposes as expressed in the budget.

18 SECTION 2. ADMINISTRATION TAX. Pursuant to Sections 18-302 and 18-307 of the
19 Land Use Article, there is hereby imposed and levied for the Fiscal Year 2022 a tax of five and
20 sixty-six hundredths cents (\$0.0566) upon each one hundred dollars (\$100.00) of assessed

1 valuation of real property and fourteen and fifteen and one-half hundredths cents (\$0.14155)
 2 upon each one hundred dollars (\$100.00) of assessed valuation of personal property and
 3 operating real property described in Section 8-109 of the Tax-Property Article for property
 4 located in that portion of the Maryland-Washington Regional District lying within Prince
 5 George's County. The proceeds of the collection of such tax shall be paid to the Maryland-
 6 National Capital Park and Planning Commission and shall constitute the Administration Fund of
 7 said Commission. Of the proceeds collected, \$1,287,300 shall be allocated to the County
 8 Council for the reimbursement of the planning and zoning functions of the Legislative Branch, as
 9 described in the Regional District Act. As such, and pursuant to Sections 18-109, 20-206, 21-
 10 103, and 21-202 of the Land Use Article, as well as Section 10-112.32(d) of the Prince George's
 11 County Code, the Council hereby states, as justification for that portion of the Maryland-
 12 National Capital Park and Planning Commission Fiscal Year 2022 Operating Budget exceeding
 13 the Spending Affordability Commission's recommended overall spending ceiling of \$57.69
 14 million for planning projects by approximately \$1.07 million, such additional appropriations are
 15 the result of increases to enhance the annual workplan by advancing the pace of comprehensive
 16 planning projects for the benefit of the County.

17 **SECTION 3. ADVANCE LAND ACQUISITION FUND.** Pursuant to the provisions of
 18 Section 18-401(c) of the Land Use Article, there is hereby imposed and levied for the Fiscal
 19 Year 2022 a tax of zero cents (\$0.00) upon each one hundred dollars (\$100.00) of assessed
 20 valuation of real property and zero cents (\$0.00) upon each one hundred dollars (\$100.00) of
 21 assessed valuation of personal property and operating real property described in Section 8-109 of
 22 the Tax-Property Article, assessable according to the laws of Maryland and subject to taxation in
 23 Prince George's County, to be utilized for advance land acquisition in Prince George's County, in
 24 accordance with the terms and conditions of the above-cited statute, as amended. The proceeds
 25 from the collection of said tax shall be paid to the Maryland-National Capital Park and Planning
 26 Commission for the purpose of debt service on the principal and interest on bonds issued for the
 27 Commission's land acquisition revolving fund, and any excess shall be paid into said fund.

28 **SECTION 4. METROPOLITAN DISTRICT TAX-MANDATORY.** Pursuant to the
 29 provisions of Sections 18-302 and 18-304(b) of the Land Use Article, there is hereby imposed
 30 and levied for the Fiscal Year 2022 a tax of four cents (\$0.04) upon each one hundred dollars
 31 (\$100.00) of assessed valuation of real property and ten cents (\$0.10) upon each one hundred

1 dollars (\$100.00) of assessed valuation of personal property and operating real property
2 described in Section 8-109 of the Tax-Property Article subject to assessment and taxation by
3 Prince George's County which is located in that portion of the Maryland-Washington
4 Metropolitan District lying within Prince George's County. The proceeds of the collection of
5 such tax shall be paid to the Maryland-National Capital Park and Planning Commission and shall
6 be applied to the purposes set forth in Section 18-304(b) of the Land Use Article.

7 SECTION 5. METROPOLITAN DISTRICT TAX—DISCRETIONARY. Pursuant to
8 Section 18-304(c) of the Land Use Article, there is hereby imposed and levied for Fiscal Year
9 2022 a tax of eleven and ninety-four hundredths cents (\$0.1194) upon each one hundred dollars
10 (\$100.00) of assessed valuation of real property and twenty-nine and eighty-five hundredths
11 cents (\$0.2985) upon each one hundred dollars (\$100.00) of assessed valuation of personal
12 property and operating real property described in Section 8-109 of the Tax-Property Article
13 subject to assessment and taxation by Prince George's County which is located in that portion of
14 the Maryland-Washington Metropolitan District within Prince George's County. The proceeds
15 of the collection of such tax shall be paid to the Maryland-National Capital Park and Planning
16 Commission and shall be applied to the purposes set forth in Section 18-304(c) of the Land Use
17 Article.

18 SECTION 6. RECREATION TAX. Pursuant to Sections 18-302 and 18-306 of the Land
19 Use Article, there is hereby imposed and levied for the Fiscal Year 2022 a tax to support
20 recreational activities in the amount of seven and eighty hundredths cents (\$0.0780) upon each
21 one hundred dollars (\$100.00) of assessed valuation of real property and nineteen and forty-nine
22 and one-half hundredths cents (\$0.19495) upon each one hundred dollars (\$100.00) of assessed
23 valuation of personal property and operating real property described in Section 8-109 of the Tax-
24 Property Article subject to assessment and taxation by Prince George's County. The proceeds of
25 such tax shall be remitted to the Maryland-National Capital Park and Planning Commission and
26 shall be applied to the purposes set forth in Section 18-306(d) of the Land Use Article.

27 SECTION 7. The County Council of Prince George's County hereby adopts the schedules
28 "Revenues as to Source" as set forth in Appendix A to this enactment and incorporates said
29 Appendix herein by this reference.

30 SECTION 8. OTHER POST EMPLOYMENT BENEFITS (“OPEB”). The budget
31 reflects funding for the annual required contribution (“ARC”) and the pay-as-you-go amount to

1 prefund retiree medical costs.

2 SECTION 9. GRANT AND SPECIAL FUNDING. All grants and Land Reclamation
3 revenue received by the Maryland-National Capital Park and Planning Commission shall be
4 considered as additions to, and automatic amendments of, the Commission's Operating and CIP
5 Budgets and work programs, provided that the Commission shall have advised the County
6 Council of such revenue at the time the revenue was being sought, whether by grant application
7 or by other applicable special funding application procedures. This section does not, in any way,
8 affect the process for legislative appropriation of tax revenue to the Commission.

9 SECTION 10. PARK ACQUISITION AND DEVELOPMENT. The Prince George's
10 County portion of the Maryland-National Capital Park and Planning Commission Fiscal Year
11 2022 Capital Budget is hereby adopted and shall consist of all previously approved park
12 acquisition and development projects (as revised) with appropriations in the budget year of the
13 Maryland-National Capital Park and Planning Commission Fiscal Years 2022–2027 Capital
14 Improvement Program as such projects are included in the adopted Prince George's County
15 Fiscal Years 2022–2027 Capital Improvement Program and the new projects listed in Appendix
16 B, which is attached hereto and incorporated herein. As such, and pursuant to Section 18-109 of
17 the Land Use Article, as well as Section 10-112.32(d) of the Prince George's County Code, the
18 Council hereby states, as justification for that portion of the Maryland-National Capital Park and
19 Planning Commission Fiscal Year 2022 Capital Budget exceeding the Spending Affordability
20 Commission's recommended overall spending ceiling of \$59.18 million for capital projects by
21 approximately \$29.42 million, such additional appropriations are the result of updated costs for
22 projects underway; funding approved by the Maryland General Assembly; and increases to
23 support new projects for the benefit of the County.

24 SECTION 11. GUARANTEE OF PRINCIPAL AND INTEREST ON BONDS. Pursuant
25 to the provisions of Section 18-204 of the Land Use Article, the payment of the principal of and
26 interest on any and all bonds sold by the Maryland-National Capital Park and Planning
27 Commission, the proceeds of which are to be used to finance any of the projects adopted by
28 Section 10, are hereby guaranteed by the County as provided in Land Use Article. The guarantee
29 shall be in the form described by Section 18-204 of the Land Use Article and shall be endorsed
30 on the bonds on behalf of the County by the manual or facsimile signature of the County
31 Executive. The full faith and credit of the County is hereby irrevocably pledged to the

1 fulfillment of the guarantee of the payment of interest when due and the principal on maturity
2 and taxes will be levied in accordance with Sections 18-209, 18-302, 18-304(a), 18-304(b), 18-
3 304(c), and 18-304(e) of the Land Use Article, as necessary. The County Executive and the
4 Clerk of the Council are hereby authorized to take all necessary actions to adopt and record their
5 facsimile signatures and to execute all documents required for the sale of the bonds.

6 SECTION 12. PROJECT CHARGES AND PROGRAM SUPPORT. Any revenue from
7 Maryland-National Capital Park and Planning Commission (“M-NCPPC”) funds used for project
8 charges or program support of County programs shall be based on quarterly invoices submitted
9 by the County to M-NCPPC or such other methods as the County and M-NCPPC shall mutually
10 agree upon.

11 SECTION 13. NON-DEPARTMENTAL – TAX SUPPORTED FUNDING. The
12 Commission is hereby authorized to distribute non-departmental compensation funding to the
13 applicable departments and divisions in accordance with ratified collective bargaining
14 agreements and which does not exceed the amount proposed in the FY 2022 budget.

15 SECTION 14. SEVERABILITY. If the application of this Act or any section, subsection,
16 sentence, clause, phrase, or portion thereof, as it applies in any circumstances, case, or instance
17 to any person, firm, or corporation is, for any reason, found or held to be invalid or
18 unconstitutional by any Court of competent jurisdiction, then such section, subsection, sentence,
19 clause, phrase, or portion and application thereof to such circumstances, case or instance as to
20 any person, firm or corporation, shall be deemed a separate, distinct, and independent act,
21 finding, or holding, and such act, finding or holding shall not affect the validity and application
22 of the remaining portions thereof or the particular portion as it affects other persons, firms, or
23 corporations.

SECTION 14. EFFECTIVE DATE. This Act shall take effect July 1, 2021.

Adopted this 27th day of May, 2021.
