RE: In Favor of SB 128

Dear Chairman Pinsky, Vice Chair Kagan, and Committee Members,

I am writing to you in support of SB128. This bill will ensure equity in the distribution of Program Open Space funds in Charles County. Concentrated populations of Charles County have repeatedly received Program Open Space Funds. There are no parks and playgrounds in Waldorf. The Waldorf Amphitheater project received bond bill funding from the Charles County Delegation and has not been established to date. I urge the assembly to take action so my community can get the overdue support and care that other parts of the county have been receiving.

Sincerely,

Cidney McNeil
