

Committee: Senate Education, Health, and Environmental Affairs Committee
Bill Number: Senate Bill 154
Title: Advanced Registered Nurses Compact
Hearing Date: February 10, 2022
Position: Letter of Information

The Maryland Nurses Association (MNA) would like to provide the Committee with this letter of information regarding the Advanced Registered Nurses (APRN) Compact. MNA is very appreciative of the support of the Sponsor and other nursing organizations in advancing the dialogue on the critical issue of a licensure compact for APRNs. This issue is complex and requires gathering feedback from a broad array of our members, so MNA is not ready yet to take a position. We thank the Sponsor and the Committee for their support for advancing APRN issues in general; and we look forward to continuing discussions about the APRN Compact. In the meantime, please just contact Robyn Elliott at relliott@policypartners.net or (443) 926-3443 if we can be helpful.
