RE: In Favor of SB 96

Dear Chairman Pinsky, Vice Chair Kagan, and Committee Members,

I am writing to you in support of SB96, which establishes and maintains basketball courts in Charles County, MD. Currently, there is limited access to participate in sports at our county parks, so adding basketball courts to parks with baseball fields will not only benefit the youth of my county, but all residents. There are countless advantages to passing this bill since basketball courts can be used to improve the health and wellness of people who use them. While this is not the end to improvements needed to be made to our county parks, this is a major step in the right direction. Thank you for considering this legislation.

Sincerely,

Cidney McNeil
