Written Testimony in SUPPORT of SB 239

Chairman and members of the Education, Health, and Environmental Affairs Committee, I am here to introduce and voice my support for Senate Bill 239 – *Election Law – Campaign Finance – Protection of Contributor Information*.

Senate Bill 296 would prohibit a person from using contributor information from any report or statement required under provisions of law governing campaign finance for commercial solicitation purposes. It would also prohibit a person from publishing contributor information from any report or statement required under provisions of law governing campaign finance in newspapers, magazines, books, or other similar media for the purpose of facilitating commercial solicitation.
