The Honorable Cheryl C. Kagan
Vice Chair
Education, Health and Environmental Affairs

Dear Senator Pinsky and Senator Kagan,

The Maryland Republican Party supports Senate Bill 500 as it will correct the initial intent of HB1343 from last session, which changed the composition of the central committee from legislative representation to councilmanic representation. The number of representatives from each district should be two, not three.

The original reason for the change was to better represent the distribution of voters across the county and to ensure a consistent size of the committee regardless of legislative boundaries. Your support in this matter would be appreciated.

Thank you for your time and consideration,

Corine Frank

Written Testimony in SUPPORT of SB 500

Chairman and members of the Education, Health, and Environmental Affairs Committee, I am here to introduce and voice my support for Senate Bill 500 – *Anne Arundel County - Republican Party Central Committee – Elections*.

Senate Bill 500 would alter, from three to two, the number of members elected from each councilmanic district of Anne Arundel County to the Anne Arundel County Republican Party Central Committee.
