TESTIMONY

February 8, 2022

Committee: House Environment and Transportation Committee

Bill: HB 381 – Municipalities – Charter Amendments – Notices

Position: Support

Reason for Position:

The Maryland Municipal League supports HB 381 which provides an alternative public notice procedure for municipalities to inform their residents of a charter amendment.

Incorporated municipalities throughout the state expend thousands of dollars each year on newspaper advertisements to post legal notices pertaining to a charter amendment, an annexation, a new or amended comprehensive master plan, a new or amended zoning regulation, and revenue changes relating to constant yield tax rates.

HB 381 would give a financial reprieve to many jurisdictions when they go through the charter amendment process and would reach more residents than just those with a newspaper subscription.

The Maryland Municipal League therefore respectfully requests the Committee provide HB 381 with a favorable report.
