

Environment and Transportation Committee

Testimony on: HB0710 Equitable and Inclusive Transit-Oriented Development Enhancement Act

Submitting: Catherine Plaisant

Position: Favorable

Hearing Date: 2.17.2022, 1:00 PM

To the Honorable Chair Barve and all members of the House Environment and Transportation Committee:

I am in favor of SB516 because I support transit-oriented development only when such projects are equitable and inclusive of Maryland residents.

For example, I think that available funds should not been used for projects which only benefit the wealthy, or projects which lead to a reduction of the quality of life of already disadvantaged communities.

Thank you
