**HB 1060 Residential Owners in Common Ownership Communities –
Bill of Rights**

Favorable

Delegate Holmes, thank you so much for continuing to persevere to provide some protection and support for residents in our state. If you don't live in any of these communities, you really don't understand the lack of support that the residents receive. We are in total isolation from our county and state governments. Legal protection is not available for us. Thank you again for fighting for our rights.
