Dear General Assembly

As the Mayor of the Town of Williamsport, MD, I am writing on behalf of myself and the town council to express our support in favor of the "Urban Renewal Authority of Blight Clearance Bill" presented to the General Assembly on March 15, 2022. The Town of Williamsport would like the authority to remove dilapidated and structurally dangerous buildings to allow development of and growth of our commercial buildings. The passing of this bill is vital to our community to grow as a Municipality, bring new business, and job opportunity to our town. The Town of Williamsport is in favor and support of the passing of the "Urban Renewal Authority of Blight Clearance Bill."

Best regards,

Mayor William "Bill" Green
