

**Committee:** Senate Finance Committee

**Bill Number:** SB 728 - Health Insurance - Qualified Resident State Subsidy Program

**Hearing Date:** March 2, 2022

**Position:** Support

---

The American College of Nurse Midwives (ACNM) supports *Senate Bill 728 – Health Insurance – Qualified Resident State Subsidy Program*. The bill is important to continue Maryland’s progress in lowering the rate of uninsured. There are communities who do not qualify for coverage assistance under federal rules. This legislation would create a state subsidy program to make insurance premiums more affordable under the Maryland Health Benefit Exchange for qualified applicants. Insurance coverage would improve access to care and help Maryland address health disparities. For example, Maryland’s maternal mortality rates reflects a widening gap between White non-Hispanic women and women of other backgrounds.<sup>i</sup>
