

I am a tax paying citizen and long time resident of the state of Maryland with the legal right to express my opinion. My opinion of this is that I STRONGLY OPPOSE this House Bill HB1171. A bill that seeks to legalize murder of infants and pedophilia is beyond the realm of all that is right and can only be seen as evil and wretched and must be stopped. Those trying to push this through will now be identified by the entire watching world (who will be so outraged at their attempt to even pass something as wicked and evil as this). Justice and Righteousness ALWAYS wins in the end. For those of you pushing this evil May God have mercy on your souls.
