

Please vote AGAINST Md HB 1171. This egregious bill is an offense to any rational, moral Maryland citizen. It FAR SURPASSES Roe v Wade: Erasing statutory rape laws, age of consent laws, making it IMPOSSIBLE for a minor to sue an adult who has interdcourse w a minor or a prepubescent minor. Transgender surgery, abortion can be procured **without parental consent**, using Maryland tax dollars, even if not even a citizen of Maryland. This bill defies all moral and psychological integrity, and will convey serious political consequences.
