

A baby is a person, whether in the womb, 1 second before birth, or within 1 second after birth. There are other ways to help people who regret their pregnancy without compounding their suffering by enabling despicable outcomes abetting their poor life choices.

Tax dollars used to training killers of innocent life is Not tolerable. To purposely kill any person is murder. Your vote for HB1171 will be a vote for murder making you complicit in the deaths of how many souls.

PLEASE VOTE NO!!!!"
