

As a representative of a very large Rite to Life group (over 100 people), we are protesting the bill that codifies the destruction of children in the womb, and beyond. Many of us have had children who have been sexually molested by pedophiles and some have been brought to abortion clinics to kill these babies.

We urge you to avoid the Hand of God that will not tolerate the abuse of tiny babies and innocent children.

Respectfully in the Holy and Precious Name of Jesus Christ, the Saviour of the World and His Blessed Mother,

Right to Life
