

Finance - SB535 - UNFAVORABLE

Chair Kelley, Vice Chair Feldman, and the Finance Committee;

Please give Senate Bill 535 an Unfavorable Report.

SB535 is yet another bill that attempts to restrict access to abortion.<sup>1</sup> Dilation and Evacuation (D&E) abortions are performed in the second trimester. I'm not even sure that this bill includes the proper term for this in-clinic abortion. Don't let the shocking language of the bill sway you. Protect choice.

I urge an unfavorable report.

Thank you for your consideration.

Sincerely,  
Debi Jasen
