

This comes as a heartfelt plea to please vote against this bill. Our children are the future, not only for our country, but for our world. There is so much evil prevailing in these dark days that this bill defies all what is holy and good. What a beautiful testament it would be to the world so show that Maryland lawmakers stand with the sanctity of life and the innocence of our children. We will all stand before the Judgement Seat of Jesus Christ and every, I mean every decision we make in this world will determine the justice in our next life. I pray that all make it to heaven –and to get there we need to understand the truth and love that our LORD showed us over 2000 years ago. I pray that you all make the right decision for Maryland and our country,

Grace and Peace,

Nancy
