

To whom it may concern:

I wish to state my disgust with Maryland House Bill 1171

Approving this bill will allow for the disintegration of any protection currently given to any underage child who has been victimized sexually. It opens the doors to sexual predators and says, "come to Maryland you'll be allowed to rape and take advantage of any age person." Also, "come to Maryland to kill your baby, no questions asked."

This bill never mentions age and provides tax dollars to cover expenses.

Please vote no for House Bill 1171.

Thank you,

Catherine Pauly
