

Maryland Bill #1171

I am writing testimony showing my position on Bill #1171 as
UNFAVORABLE!

The Bill erases statutory rape laws and age of consent laws.

It makes it impossible to sue an adult for having intercourse with a minor or even a prepubescent minor.

It allows minors to seek an abortion, sterilization, and transgender surgery WITHOUT parental consent ALL paid for with Maryland tax dollars!

The Bill opens up the state of Maryland to anyone from any state to go to Maryland for their abortion, sterilization and/or transgender surgery all paid for with Maryland taxpayer money.

Bill #1171 NEVER mentions AGE! It makes no distinction between adult and minor!!!

This Reproductive Liberty Bill #1171 would make it unconstitutional and illegal to criminalize sex between minors and adults because it says EVERY person not every ADULT person should have "reproductive liberty".

This Bill #1171 is an abomination! How can anyone be okay with adults having sex with children? It's sick!

Please, vote NO on Bill #1171. It has nothing to do with "liberty" or "reproduction". This Bill is evil!

Sincerely,
Kate Breen
