

Re: Maryland Bill HB1171 – Should be named “Sexual Predator Passport from Hell”

I am writing to oppose in the strongest possible way this insidious Bill HB1171. While its title contains the term “Reproductive liberty” to make it sound appealing, it is a grotesque attempt to erase all legal boundaries for sexual conduct between persons of ANY age. HB1171 eliminates statutory rape & age of consent laws clearly and intentionally leaving no distinction between adults and minor children, pre-pubescent minor children or even younger. It seeks to leave children completely exposed and vulnerable to the manipulation of sexual predators, pedophilia, and abuse. Deceptively cloaked in the guise of “reproductive liberty” it allows a minor child to seek an abortion or even be forced into one, sterilization, or even transgender surgery; ALL WITHOUT PARENTAL KNOWLEDGE OR CONSENT!!!

This Bill is nothing more than a sexual predator’s passport to raping and abusing children & women!!! As if that isn’t bad enough, you also want to leave the door wide open for anyone from anywhere to come to your state to kill their baby in the womb at ANY STAGE!!! The author of this bill, Delegate Adrienne A. Jones is a disgrace to humanity for conjuring up such perversion and the audacity to attempt forcing American people to be complicit in this evil by using our tax dollars to do it is criminal! If you want to abort something so badly, abort HB1171!
