

To whom this may concern:

Please know that I right this testimony unfavorable to bill #HB1171. I oppose this bill with all my heart. It is against the Will of God and must be defeated from even existing. The diabolical bill will enshrine the killing of a baby from conception until full term and eliminates the age of an individual for having an abortion bypassing parental consent. Please accept this testimony as I feel this bill must be shredded.

Daniel Bernier
