

I oppose this bill because it is harmful to children. There is no mention of age in the bill which makes children vulnerable. Furthermore, I am opposed to abortion. This bill not only encourages abortion, but it forces people who oppose abortion to pay for it. This is contrary to personal freedom which is what gives human beings their dignity. If individuals choose to live their lives doing harm to themselves, their unborn children and others that is very sad and unfortunate but to force, manipulate and coerce others to pay for those selfish disordered decisions is reprehensible, disgusting, immoral and unjust. DO NOT IMPOSE YOUR IMMORALTY ON OTHERS.
