

I oppose this bill in order to protect the innocent from harm and destruction. This bill would mean a more degraded United States with a fall of an entire nation to follow. A nation that allows for rampant crime upon our children from abortion to sex abuse is repulsive, and this bill does not mention any ages of whom this law would apply which is another reason I oppose it. Please do not pass this destructive bill, yet turn from your ways and realize love of thy neighbor would protect them from both sexual perversions or mutilation resulting in death. I cannot believe this is even considered as a bill. God be with you and your decision.
