

This bill is appalling and the level of immorality is shocking!!!!

It erases statutory rape laws and age of consent laws!!! It impossible to sue an adult for having sex with a minor/prepubescent minor.

Overall 95% of biologists agree that life begins at conception. Please review this study by University of Chicago: [Biologists' Consensus on 'When Life Begins' by Steven Andrew Jacobs :: SSRN](#). Abortion is killing the most vulnerable, the ones without a voice. Please have mercy on the most vulnerable. All sort of killing is wrong and it never should be promoted.
