

This bill is rife with evil and must not be passed. Murdering, raping and enslaving innocent children is the most despicable act imaginable. It is an undeniable fact that life begins at conception and ending that life is murder. At conception, the life is a human life...not just a blob of tissue. A baby is a baby from the very first moment he is created. Bill 1171 erases statutory rape laws and age of consent laws. It makes it impossible to sue an adult for having intercourse with a minor. This bill must not be passed.
