

I am against HB1171 because it erases statutory rape laws and age of consent laws. It makes it impossible to sue an adult for having intercourse with a minor or even an infant. It allows a minor to seek an abortion or sterilization or even transgender surgery, without parental consent and paid for by Maryland taxpayers. Anyone from any other state could go to Maryland for these diabolical procedures. The so called, 'reproductive liberty,' is satanic to the core and the fact that the bill has already passed the Maryland Senate is absolutely disgusting and EVIL!
