

Testimony Against HB 1171

HB 1171 is a heinous bill that should never see the light of day. It is cloaked in evil and is an affront to human decency. How can any Christian woman or man support a bill that gives a mother unbridled approval to kill her own child in the womb, for any reason, or a minor the state's blessing to undergo sexual or biological mutilation without the consent of his/her parents. And then, forces taxpayers to pay for it. There is absolutely nothing good about this phony "reproductive liberty" bill, healthcare or otherwise.
