

HB1171 - Declaration of Rights - Right to Reproductive Liberty

Written Testimony:

I would like to state that I'm opposed to the Declaration of Rights - Right to Reproductive Liberty for the following reasons:

- There is no age limit set on this bill
- It exposes children to molesters
- It protects molesters from prosecution especially if children are attacked or sexually abused

Thank you for considering my Unfavorable vote on this bill.

Regards,

Paul O'Toole
