

Please do not pass this bill HB1171 – This bill does not protect women or children. This bill will promote the abuse of children. There is no protection in this bill for minors – no minimum age is presented. This bill opens the door to abuse of women. Anyone can overpower a woman or girl without her consent. This is unbridled abuse of a human being. You must not pass this bill. It truly is unconscionable. It also forces the taxpayer to foot the bill for abortion procedures. There is no right under the federal constitution for this type of abuse. Protect our women and children. NO to HB1171
