

Vote **Unfavorable** on HB1171!

HB 1171 is being promoted with the innocent-sounding language of “reproductive rights”, but the practical outcome/effects of making HB1171 law would be:

- It would erase statutory rape/age of consent laws, because the Bill never mentions age.
- It would make it impossible to sue an adult for having intercourse with a minor, even a prepubescent minor.
- It would allow a minor to seek an abortion or sterilization or transgender surgery without parental consent.
- It would force Maryland taxpayers to pay for these immoral and depraved activities – even for non-Maryland citizens.

**I urge you in the most strident and urgent terms to absolutely and unequivocally vote **UNFAVORABLE** on this exceedingly wicked, immoral and disgustingly depraved Bill.**
