

HB1171

Please do not pass this bill as it is morally wrong in so many ways. It will allow predators to rape under aged children and there won't be any legal action against them. Abortion will be legalized which is completely wrong as that is MURDER. This bill will be very harmful to many people and children. Children are not fully developed and do not have the mental capacity to consent to intercourse with an older person, that is RAPE and IMMORAL.

Thank you for your attention in this matter.
