

House Bill 1171
My Position: Unfavorable

Alfred Pollock
3623 Skylark Ct.
Abingdon, MD 21009

This bill is a travesty and a moral outrage. It is murder to end the life of a fetus, baby, child, or adult with a beating heart! The great State of Maryland cannot be a party to such a travesty. I urge all Delegates to vote "NO" on this bill.
