

Dear Maryland General Assembly
03/29/2022 7:00PM Central time

To whom it may concern,

I am submitting written testimony against HB1171 because it is against all traditional Catholic Values as well as against all the rules of nature and humanity.

This bill should never have been even considered or crafted, however since it has made it this far in the legal process, I and hundreds of thousands of faithful Catholics are contacting you to voice our disapproval and UNFAVORABLE position of this bill.
