I am VERY against HB1171 because it does not protect our most vulnerable people in our society, “our children”!!!!!!

The state is taking away, rather than supporting parents rights to guide and protect their children from predators such as sex traffickers, pediophiles, and child molesters!!!!!!

This law would make it impossible to sue an adult for having intercourse with a minor or even a prepubescent.

It allows a minor to seek an abortion, sterilization, or even transgender SURGERY WITHOUT

Parental or guardian consent and all paid for by Maryland’s tax dollars.

This HB1171 NEVER even mentions age and makes no distinction between an adult and a minor!!!

This law would open wide the door to do HARM to children/minors by easily letting violent adults to do any sexually deviant behavior with a child.

Healthy caring adults DO NOT treat children with such degenerate behavior as this bill would allow!!!!!!
