

“It is hard to imagine how anyone could stomach being involved with this but it is a fact. Most children who are trafficked for sex work are between the ages of 12 and 14 years old. A significant percentage of these are runaways who were abused sexually at a younger age.”, [child-trafficking-statistics](#) from the Child Liberation Foundation.

The state of Maryland has a plan to reduce these statistics by legalizing all forms of perverse sexual behavior in the name of “reproductive freedom”. This proposed amendment to the State Constitution tilted “Right to Reproductive Liberty” is abhorrent, immoral, and directly against natural law. All citizens rights are trampled upon when sexual predators can, without regard, prey on others regardless of age or consent.

*It may not matter to those who voted to pass this bill, but in God’s own words; “Whoever causes one of these little ones who believe in me to sin, it would be better for him to have a great millstone hung around his neck and to be drowned in the depths of the sea. Woe to the world because of things that cause sin! Such things must come, but woe to the one through whom they come!” Matthew 18:6-7*
