Supporting

Dear Chair Kelley, Vice Chair Feldman, and Members of the Finance Committee,

I am in support for collective bargaining rights as it will allow me and others to be able to sustain ourselves while teaching a full teaching load as well as aid me in the progression towards my doctorate. We cannot live without being able to adequately sustain ourselves especially given the current state of the world and the raging COVID-19 pandemic. This is how you show us we are valued by allowing us the opportunity to be able to live without the pressures and stressors of job precarity as well as health precarity. Thank you.

Sincerely,
