

I am very strongly opposed to HB 1171 and ask that you vote to defeat it. There are no protections in place for minors and every likelihood that untold number of minors will be statutorily raped and taken for abortions without any safeguards to prevent their repeated abuse. Not only will babies continue to be slaughtered unabated, but young girls can and will be victimized by sexual predators who will have no fear of having to pay for their crimes.

It is time to stop abusing our innocent, defenseless babies and our young girls! Vote NO on HB 1171.
